## Committee Motion 1

The RG65 ICA Committee propose a Special Resolution to adopt a revised version of the RG65 ICA Constitution.

The changes to the constitution are as follows:

### Technical Committee Chairman.

Current Wording:

- 9.1 The *World Council* shall elect a Technical Sub-Committee Chairperson. The RG65 ICA Technical Sub-Committee shall consist of the Technical Sub-Committee Chairperson plus at least one *Officer* and at least 1 and no more than 2 other *Registered Owners* appointed by the *Executive Committee*.

Revised Wording

- 9.1 The *World Council* shall elect a Technical Sub-Committee Chairperson. The RG65 ICA Technical Sub-Committee shall consist of at least one *Officer* and at least 2 and no more than 3 other *Registered Owners* appointed by the *Executive Committee*.

## Background to this Committee Motion

The Original wording would suggest that the technical sub-committee chairman could not have been a member of the ICA Committee.

This is revised so that the Officer sitting on the committee could be appointed as the chair of the sub-committee.
